1. Chapter 1

Percabeth sex chapter 1

Annabeth POV

I came home from work and set my stuff down and started making dinner. Percy was due home any minute now. Then I heard the garage door open and I knew Percy was home he came into the kitchen and said, "Hey Wise Girl,"

I replied, "Hey Seaweed Brain,"

He kissed me on my cheek and started to play with my hair and I asked him if he had anything to do. He replied, "Nope,"

I sighed, then he started to play with my camp beads. Then the buttons on my shirt. I asked him to stop he didn't. He asked, "Can we do it, now ?"

Then I said, "After dinner, okay,"

He said, "Okay,"

Later that night after dinner

He asked, "Now can we?"

I said, "No,"

He asked, "Why not," in a whinny voice.

"You don't remember," I asked.

Then he said, "No why?"

I sighed, then said, "Because we are watching Jason and Piper's kids, so Jason and Piper can go to the meeting, Seaweed Brain."

He said, "Oh, Yah,"

"You're so silly, Seaweed Brain,"

"Did you know, I married you, so you could remind me of things," he said.

I replied, "Duh, of course."

2. Chapter 2

Percabeth sex chapter 2

Chapter 2

Percy POV

The kids were a handful and their oldest daughters Natalia and Emily tried to help but it was no use. By the time they were tired out it was almost time to go. Their youngest Jamie was 5 and slept most of the time so we didn't worry about her. The triplets were definitely a handful. Jakub wanted to play pirates, James wanted to play pilot, and Michael wanted to play sport dress up. So we had to continually break up fights. By the time Piper and Jason picked their kids up, we were exhausted.

Annabeth POV

Percy asked me if we could do it now I said no because I had to wash dishes and he said he would help, I let him. While I was washing he play with my blouse and I told him to stop he didn't. The kitchen was hot and stuffy. So I told him, he could only pull down 4 buttons but he did all. Then he tried to take off my shirt but slapped his hand away. Then I told him to go do something else, but he ignored me. So I finally told him to finish doing the dishes while I graded some papers for my students. I looked at the calendar in the study and saw tomorrow was the weekend so I stopped doing papers and asked Percy to come here for a minute and told him to...Author Note: OOHHH!
